

Please send your CV with contact details of two referees to Michelle Sparano, Company Secretary, at secretary@egvh.org.uk. While we do use LinkedIn, we will not accept a link to your LinkedIn profile in lieu of your CV.

The first step is for our Company Secretary to show you around Emersons Green Village Hall and answer any questions about our operations and the building. If you wish to proceed with your application after your visit and discussion, the Chair of Trustees will take up your references. If these are satisfactory, the Chair will interview you. The Board will then discuss any candidates proposed by the Chair at our next Trustee Meeting and you will be notified of the outcome by the Chair.

Our Company Secretary will then arrange for successful candidates to complete the necessary paperwork, including a basic DBS Check, before starting their roles as Trustees. Please note that the Chair meets with all new Trustees upon completion of the required paperwork, to ensure that they receive an appropriate induction.
