Welcome

Dear Colleague,

Thank you for your interest in the role of Treasurer at the Faculty of Medical Leadership and Management (FMLM), the professional home of medical leadership in the UK. Established by all the UK Medical Royal Colleges in 2011 and endorsed by the Academy of Medical Royal Colleges, FMLM is an internationally recognised organisation that champions excellence in healthcare leadership to improve the quality of patient care. FMLM is a Designated Body providing professional appraisal and revalidation services for doctors, and co-owns the BMJ Leader journal with the British Medical Association.

You will be joining FMLM at a hugely exciting time. With the publicly announced support of the cross-Party Health and Social Care Select Committee, members of the NHS England Board, Officers in the existing Medical Royal Colleges, and educational and academic leaders across the UK, we are starting our journey to develop a UK College of Clinical and Executive Leadership. As part of this journey, whilst remaining a values-based charity, we are pivoting our commercial operations to further enhance our financial sustainability, improve our membership offer at personal, team, organisational and system levels, and meet our commitments as a proud member of the UK Health Alliance on Climate Change. Building on the solid foundations of our published evidence base, professional standards, and strong track record of delivering a wide range of leadership development programmes, FMLM will innovate, diversify, and transform.

Joining this agile, dynamic, and growing organisation, the Treasurer will work closely with fellow Trustees and the FMLM leadership team to help shape the organisation's next chapter by:

- Ensuring compliance with financial, legal, and governance requirements.
- Providing strategic financial oversight.
- Building and maintaining relationships with donors, sponsors, clients, and stakeholders.
- Supporting financial sustainability by overseeing budgets, reserves, and diversified income streams.
- Driving innovation by identifying and championing new financial opportunities.
- Upholding strong governance and accountability through clear reporting mechanisms and ethical financial practices.
- Advocating for the charity's mission, ensuring financial and commercial decisions align with its values and amplify its societal contributions.

If you share our values and vision to champion, influence and develop excellence in healthcare leadership to drive improvements and equity in patient care, then please get in touch and we look forward to receiving your application.

Yours faithfully,

Celia Ingham Clark
