

TRUSTEE VACANCIES: MAKE CREATIVITY TRULY INCLUSIVE WITH UNDER THE STARS

Are you passionate about creativity, inclusion, and making a real difference? Join our dynamic, change-making charity board and be inspired by our talented artists, actors, and musicians with learning disabilities.

We are a medium-sized Sheffield-based charity, with a turnover of £480k. We're making a significant impact locally, and have big ambitions for the future.

What We're Looking For:

We are seeking committed and enthusiastic new trustees to help oversee our charity's work and to provide guidance on overall management and strategic direction. As a trustee, you'll be instrumental in supporting key decisions that drive our growth and success.

Skills & Experience:

We are particularly interested in individuals with backgrounds in **HR, charity governance, marketing/communications, adult social care and fundraising.**

However, we welcome all those who share our values and vision. If you're passionate about high-quality opportunities for adults with learning disabilities, we'd love to hear from you.

We actively encourage applications from those with lived experience of marginalisation or neurodiversity, as we value having a variety of perspectives and insights on our board.

Our Vision:

People with learning disabilities and/or autism feel powerful, valued, included, and respected.

Our Mission:

We use the power of creativity and performing arts to enhance the lives of people with learning disabilities and/or autism.

Time Commitment:

An average of three hours per month plus five board meetings per year, and subcommittee meetings as required. All trustees try and attend a few of our events each year as an audience member or volunteer. The board of trustees will be asking for a minimum commitment of 2 years.

About Our Board:

Our board is made up of passionate individuals from both commercial and public sectors. We're all deeply committed to delivering high quality events, performances, and services for adults with learning disabilities. We're looking for people with a 'roll your sleeves up' attitude who are ready to make a difference.

Ready to get involved?

If you share our passion for creativity, inclusion, and change making, we want to hear from you.
